

# JOIN THE TEAM Volunteer Community Ambassador

Greener and Cleaner are looking for volunteers to act as Community Ambassadors to encourage greener living within their community and promote Greener and Cleaner as a source of advice. We are especially interested in anyone with skills in:

- Customer facing roles**
- Outreach work**
- Fundraising**

## TASKS MAY INCLUDE

- Connect with the community:** use your own personal, professional or volunteering networks to spread the word about Greener and Cleaner and share how the community could benefit from a greener lifestyle.
- Promote Greener and Cleaner:** learn about Greener and Cleaner’s activities and events, and share what advice and resources are available to the community.
- Running activities:** run a sustainability related activity or stall at community events or fairs.
- Support Greener and Cleaner:** help to build on existing community relationships and projects such as The Hub or the Greener and Cleaner Community Allotment.
- Share on social media:** help to promote Greener and Cleaner by sharing our posts and event listings.

## SKILLS/EXPERIENCE REQUIRED

- Knowledge of local activities and organisations (not essential).
- Be happy to learn more about climate change/ sustainability/ biodiversity/ air quality/ active travel (training provided).
- Comfortable working in a customer facing role in a diverse community (essential).

## ROLE REQUIREMENTS

- DBS Check (if the event requires it).
- Willing to promote Greener and Cleaner and green living.
- Willing to share on social media at least once per week (if you use social media).
