Volunteer

Community Gardener

Greener and Cleaner are looking for volunteers to act as Community Gardeners to help maintain our community allotment. We are especially interested in anyone with skills in:

General gardening
(including physical work like digging, lifting, carrying things).
Growing and nurturing plants, trees, flowers.

TASKS MAY INCLUDE

Gardening: planting, pruning, harvesting, regular watering and other manual gardening jobs.

Assisting: coordinating the growing schedule with the project manager and help with other general tasks.

Sharing skills: helping drop-in visitors by answering questions and sharing tips.

Optional help: leading sessions with local people and teaching them how to grow in an eco-friendly way.

SKILLS/EXPERIENCE REQUIRED

Gardening or propagation experience (desirable)

Keen to learn and share knowledge about growing fruit and vegetables in an eco-friendly way (desirable).

Enjoys working as part of a team (desirable).

Comfortable working in a diverse community (essential).

ROLE REQUIREMENTS

Attend the community garden at least once a month.
