

THE HUB

Greener & Cleaner

The Hub is your local community space in The Glades where you can come and find out more about how to lead a greener and cleaner lifestyle (and save money in the process!).

VOLUNTEERS

We're staffed by a group of friendly volunteers, who are always willing to answer any question, big or small, about things you can do to lead a more eco-friendly lifestyle.

WORKSHOPS, TALKS & EVENTS

We also run free or low-cost weekly workshops, talks and events for adults and children, ranging from kids upcycling crafting, to advice on solar or warming homes with energy efficiency, to making gardens more wildlife friendly, to sustainable fashion skills, to support with cleaner transport, to recycling and impactful local donation, to reducing food waste and air pollution, to repair workshops which also help to reduce carbon footprints, plus we provide sustainability support for schools, charities and businesses, and much more!
